Virtual Workshop Descriptions

Please join us!

All virtual workshops are hosted via WebEx. Join the meeting 15 minutes prior to the scheduled start time for assistance with potential technology issues.

All program links are sent to members weekly via email and are also available on our website: www.pncfairfaxconnection.com

Basic Computer Skills: These days, it's important for everyone to have basic computer skills. Join this LIVE workshop to learn the basics, including creating a Gmail account and sending an email, basic word processing, how to search the internet and more. Seats are limited. Reservation is required. Call 216-391-4677 to reserve your seat.

Basic Facilitation Skills: This high-impact workshop shows you steps to becoming a dynamic instructor, masterful facilitator, and polished speaker. The session provides focused feedback so that you will leave with tangible skills you can use immediately. Perfect your learning aids, icebreakers, transitions, managing time, encouraging participation and so much more!

Basic Yoga: Join us with our partner Kimberly Archibald-Russell for our normal Saturday yoga sessions online. Whether you are new to yoga or have taken classes, this is the best place for you to start!

Book Club: Welcoming the same broad cross-section of participants who enjoy the Connection Book Club, we are now virtual. Book Club will follow the same general format as the live version (content review, core question, analysis and dialogue), leveraging the complexity of the nuances of the book and its core issues to foster discussion, exchange and critical thinking.

Breakfast with Brian: We are back, but different! Please join the PNCFC Staff and our executive director, Brian Williams, to find out about upcoming virtual programs and general updates.

Building Blocks: This fun program is for Fairfax families and other communities with children under 6, featuring arts and crafts, story time, music, healthy eating habits and many other interesting topics.

Building Bridges @ New Life: This new and exciting program gives all our youthful members, ages 5 to 17, an opportunity to engage in fun, interactive and collaborative programs that will get them up and moving! Check out our website to register.

Conversations that Matter: January Hot Topics: What world topics are being discussed this month — on the federal, state and local levels? Come prepared to discuss and defend your opinion on trending news stories that matter to you.

Cooking LIVE with Chef Tiffani: It's time again for our LIVE cooking class with Cutting Board Academy that will allow you to learn tips and tricks for creating various meals to enjoy with your family and friends. Join our very own Chef Tiffani as she walks through how to make a special holiday dish. Register and potentially win the ingredients to prepare the delicious meal. Space is limited for this fun virtual experience. Ages 13 and up. Call 216-391-4677 for registration information.

Creative Design: Join us and Jamal "JayWorking" Collins to learn how to brand yourself using the art of graphic design. We will be discussing online creative platforms like Adobe Spark and Canva.

Digital Music Recording & Production — Beginner: Whether you're a budding musician or have a passion to create and record for a living, this class provides you access to and understanding of the software and tools you'll need to arrange your own masterpiece. In this class, students receive education on how to obtain professional-sounding results from a simple studio setup. Basic computer knowledge and registration required; call 216-391-4677. Ages 13 and up.

How to Ace a Job Interview: From researching the company to sending a follow-up thank-you note and so much more — this workshop covers all the basics needed to put you at ease for a successful interview.

Kids In The Kitchen: We're back, we're different and we're virtual! This class will expose kids to great-tasting and nutritious recipes. An introduction to the ingredients and recipe instructions will begin each session, followed by construction of recipes that can be shared with the family.

Leveraging Your Online Profile: Build your personal all-star profile and see how it can help you get noticed by recruiters, change your career, double your income or launch your business.

New Year, New Me! Happy New Year! This session allows our youth the opportunity to check in with one another by discussing their New Year's resolutions and goals. Students will also learn how to self-manage and track their progress throughout 2022. Check out our website to register.

Songwriting: Please join us to learn the fundamentals of songwriting and song construction. This course is for both aspiring and experienced songwriters. Participants will learn to apply the principals of songwriting, structure, concepts, melody and metaphors, and then produce their own compositions.

Steps to Financial Recovery: The PNC Fairfax Connection hosts financial wellness workshops dedicated to helping individuals more effectively manage their personal finances and achieve their financial goals. Workshops are taught by financial experts from PNC Bank as well as by local credit and budget counseling professionals. Gain understanding about your finances by learning how to evaluate your current financial situation, develop a financial recovery plan and implement your financial plan.

Super Tax Day 2022: Take advantage of FREE tax preparation at PNC Fairfax Connection, claim your earned income tax credit, and learn ways to better manage your money. Call 2-1-1 UNITED WAY to schedule your appointment.

Technology Spotlight: Social Media: Connecting Your Personal Brand to Your Portfolio: This workshop will focus on the art of social media marketing. You will learn how to explore and present your personal brand ONLINE. Discussion topics will include authenticity, the difference between documenting and creating, and discover a variety of tools and techniques that will help you become a skilled social media marketer. You don't want to miss out on this!

Teens In The Kitchen: Teens in the Kitchen is an extension of our Kids in the Kitchen program. Does your teenager like to cook? Are they interested in learning new skills? If so, this is the perfect time to get involved. Check out our website to register.

Youth Digital Design: Youth Digital Design provides teens with the resources to develop the skills they will need to enter a creative field. Students will be introduced to a solid visual experience that will develop their sense of imagery and creativity, foster critical thinking, and prepare them for client-based practices. Participants will explore the latest design technology, such as Adobe Creative Cloud, along with photography and video editing. Ages 13-17.
