# Workshop & Special Event Descriptions

**Bank on Your Future:** Learn how to budget like a pro, set savings goals that stick, and crack the code on credit. From banking basics to smart spending, this program gives you the tools to make informed financial choices and build a future you can bank on! Ages 13+

**Basic Yoga:** Yoga is a unique way of strengthening and toning the body. Join us with our partner My Village Yoga for Saturday yoga sessions at the PNC Fairfax Connection! Whether you are new to yoga or have taken classes, this is the best place for you to start.

**Black History 365: Nia:** Explore the principle of Nia ("purpose") in this engaging class on Black history. Learn how Nia has shaped historical movements, strengthened communities and continues to inspire collective progress today.

**Book Club:** One of the pleasures of reading a good book is discussing it with others who have read it. Join the club to rave about what you've just read or to debate participants' various reactions to the book. Connect with us as we discuss our shared experiences surrounding the book.

**Building Blocks:** This is a weekly program for children that features story-time, arts & crafts, music or an appearance by a PNC Grow Up Great® partner. Ages 3–6.

**Cleveland Museum of Art Family Workshop:** Celebrate creativity and community with Studio Go, the Cleveland Museum of Art's mobile art van, as it rolls down to the Connection for a fun family workshop! Join us for a hands-on art-making workshop with a project inspired by Juneteenth.

**Computers 101:** This 8-week program will provide you with an introduction to laptops and desktops, understanding mobile apps, and safe internet navigation. This workshop is designed to help seniors and adults learn basic computer skills.

**Community Compass:** Come join our program where community comes together to discuss local issues, inspire one another, exchange ideas and strengthen our ties through shared connections and greater understanding.

**Connecting with the Community:** Join us to hear about community events and prepare to share. All programs discussed must be open to the public, be non-political and not require any experience to attend. This session will commence directly after Dishin' It with Dan.

**CyberSafe: Cyber Threats:** Learn how to protect yourself online from common cyber threats and identity theft. This workshop will equip you with practical tips to recognize, prevent and respond to attacks, helping you stay safe in today's digital world.

**Digital Music Production: Basic:** Whether you're a budding musician or have a passion to create and record for a living, this class provides you access to and understanding of the software and tools you'll need to arrange your own masterpiece. Students will learn how to obtain professional-sounding results from a simple studio setup. Basic computer knowledge is required. Ages 13 and up.

**Digital Recording and Engineering: Advanced:** This is the next-level session for those who have already taken the Basic class. We will use the acquired skills to produce an entire song, including an audio recording. Ages 13 and up.

**Discovering Design:** Join us and our partner Jamal "JayWorking" Collins to explore the world of graphic design through Canva, AI tools and branding.

**Dishin' It with Dan:** Bring your ideas and hear about upcoming workshops and events during this time to chat with Dan Roberson, executive director of the PNC Fairfax Connection.

**Explore Music Careers:** Discover the many career opportunities in the music industry and learn how to forge your path to success.

**The Fairfax Chess Club:** The game of chess encourages players to think critically and improve concentration. Our instructors from Progress with Chess will teach you the fundamentals of the game and help you hone your skills. This program is designed to introduce youth to chess, but all ages are welcome.

**Families in the Kitchen:** Embrace the farm-to-table lifestyle and discover nutritious recipes curated by Chef Tiffani Sutton-Taylor, Founder of Cutting Board Academy. Chef Tiffani will walk you through the dish step-by-step while teaching you about the science of food and nutrition.

**Financial Friday:** Join us for Financial Friday, where you get the exclusive opportunity to receive personalized financial tips one-on-one with a banker. Whether you're looking to boost your savings, plan, or get budgeting advice, our experts are here to help you take control of your finances. Get ready to learn, ask questions, and leave feeling empowered with new money skills!

**Financial Friday: Business Game Plan:** Set up your personal meeting to get the opportunity to receive specialized business banking advice one-to-one with a business banker. Whether you're looking to start your business, manage your business finances better, or learn what services are available to augment your business financially, our experts are here to help you grow your enterprise. Get ready to become business banking savvy and leave feeling empowered with new business banking expertise!

**H2O Kids:** Splash into fun with H2O Kids! Join our friends from Cleveland Water for hands-on activities to show just how awesome — and important — clean water really is. Perfect for curious kids in grades K–8.

**Homebuyers Workshop:** Join PNC Bank for an exciting discussion that will provide insight into the homebuying experience. Learn about financing, the pre-approval process, unique lending products and special programs to help make homeownership more affordable.

**How to Ace a Job Interview:** From researching the company to sending a follow-up thank-you note, this workshop covers all the basics needed for interviewing success. Participants will enhance their interview skills, learn about different types of interviews, and gain the confidence needed to land their next job!

**How Yoga Can Support Arthritis:** This two-part series will inform and encourage mindful movement as complementary care for arthritis. Gentle range of motion movements will be experienced systematically through the joints. This series, led by an 800-hour-certified yoga therapist, will be accessible for all.

**Introduction to 3D Printing:** Learn how 3D printers work and gain hands-on experience.

**Kids in the Kitchen:** Bring your aspiring young chefs and learn how to make great-tasting and nutritious recipes! Participants will follow recipes with guidance from our culinary instructor. Come ready to eat and learn new recipes to take home for the whole family to enjoy.

**Kreative Kickstart:** This 4-session series provides hands-on training with essential design tools and software. Explore the fundamentals of graphic design through design principles, color theory and basic composition techniques.

**Lean Six Sigma: White Belt Class:** Calling all business owners, students and professionals! In this class, you will learn to think like a problem solver and act like a process improvement pro using powerful tools that will organize your personal and business life and can earn a certificate of completion!

**The Piggy Bank Club:** Calling all kids! Come learn about spending, sharing and saving money through fun activities and games. Ages 5–12.

**Prove It & Profit: Build a Business that Wins:** This beginner-friendly workshop helps everyday people turn passion into lasting success, ensuring your business has real demand and real profit potential.

**Reach Success:** Are you looking for individual support to increase your career and/or educational opportunities? The Reach Success team is resourceful and helpful in addressing barriers and allowing your personal goals to be reached. Specialties include tutoring, alternatives to GED, navigating college enrollments, employment opportunities, small business coaching and mentoring.

**Resume Workshop:** In this workshop, learn how to create a polished, professional resume that highlights your unique skills and experience. We'll cover tips on formatting, powerful language, and tailoring your resume for specific roles. Join us to make your resume stand out and catch the eye of hiring managers!

**Sips N' Strings:** Our friends from The Music Settlement and Phoenix Coffee are combining our love for music and coffee to bring you Sips N' Strings. Join us for a LIVE music session with local musicians Ken LeeGrand and Glenn Holmes. All ages are welcome.

**Smart Money Moves:** PNC Bank is excited to present an updated series of financial wellness workshops dedicated to helping you more effectively manage your personal finances and achieve your financial goals.

**Small Business Foundations:** Designed for aspiring entrepreneurs and new business owners, this class covers the essential building blocks of success — from business planning and marketing to financial management and customer service. Learn practical skills, gain expert insights and connect with like-minded peers to set your business up for lasting success.

**Speaker Series:** Each month promises to bring new knowledge from the very best of today's thought leaders. This series has been carefully crafted to deliver a range of captivating and inspiring speakers — renowned entrepreneurs, community leaders and award-winning journalists. This month's featured speaker is Domonic Hopson, CEO of Family Neighborhood Practice.

**Workforce Wednesday:** This monthly program is designed to connect you with opportunities for career growth and development. Each session features guest speakers from local workforce development organizations who will share insights into their programs and pathways to rewarding careers. This month's organization is Fairfax Renaissance Development Corporation.

**Workplace Software:** We will cover a range of topics including computer literacy, Microsoft Office, Google Suite, spreadsheets, word processing, presentations, and other similar applications to develop skills needed for today's workforce.

**Writers Workshop:** Our instructor will give you strategies to craft new worlds and paint settings with words. Whether you're a novice novelist or a seasoned scribe, this workshop will expand your creative horizons and add depth to your literary landscapes.
