Workshop & Special Event Descriptions

Bank On Your Future: Learn how to budget like a pro, set savings goals that stick and crack the code on credit. From banking basics to smart spending, this program gives you the tools to make informed financial choices and build a future you can bank on! Ages 13+.

Basic Computer Skills: Build essential digital skills! Learn to navigate your computer, browse the internet safely and use common software. Perfect for beginners.

Basic Yoga: Yoga is a unique way of strengthening and toning the body. Join us with our partner My Village Yoga for Saturday yoga sessions at the PNC Fairfax Connection! Whether you are new to yoga or have taken classes, this is the best place for you to start.

Black History 365: Kuumba: Explore the principle of Kuumba (Creativity) in this engaging class on Black history. Learn how Kuumba has shaped historical movements and strengthened communities, and continues to inspire collective progress today.

Black History 365 for Kids: Black History is more than a month of engagement – it's relevant 365 days a year. This is a program for youth and their families in which we'll explore the contributions and achievement of Black leaders throughout American history through stories, games and more.

Book Club: One of the pleasures of reading a good book is discussing it with others who have read it. Join the club to rave about what you've just read or to debate participants' various reactions to the book. Connect with us as we discuss our shared experiences surrounding the book.

BrandForge Experience: This 4-week series will provide you with the tools and knowledge needed to create your own personal brand identity. Learn how to develop social media campaigns and promote your brand through graphic design.

Community Compass: Come join our program where community comes together to discuss local issues, inspire one another, exchange ideas and strengthen our ties through shared connections and greater understanding.

Connecting with the Community: Join us to hear about community events and prepare to share. All programs discussed must be open to the public, be non-political and not require any experience to attend. This session will commence directly after Dishin' It with Dan.

CyberSafe: Cyber Threats: Learn how to protect yourself online from common cyber threats, and identity theft. This workshop will equip you with practical tips to recognize, prevent, and respond to attacks, helping you stay safe in today's digital world.

Digital Music Production: Basic Skills: Whether you're a budding musician or have a passion to create and record for a living, this class provides you access to and understanding of the software and tools you'll need to arrange your own masterpiece. Students will learn how to obtain professional-sounding results from a simple studio setup. Basic computer knowledge is required. Ages 13 and up.

Digital Recording and Engineering: Advanced Skills: This is the next-level session for those who have already taken the Basic class. We will use the acquired skills to produce an entire song, including an audio recording. Ages 13 and up.

Discovering Design: Join us and our partner Jamal "JayWorking" Collins to explore the world of graphic design through Canva, AI tools and branding.

Dishin' It with Dan: Bring your ideas and hear about upcoming workshops and events during this time to chat with Dan Roberson, executive director of the PNC Fairfax Connection.

Entrepreneur's Guide: This workshop provides insightful business guidance to entrepreneurs with crucial survival strategies, enabling them to conquer the challenges of the business world and thrive in the "concrete jungle."

Explore Music Careers: Discover the many career opportunities in the music industry, and learn how to forge your path to success.

Families in the Kitchen: Learn as you participate in a health & wellness workshop by discussing recipes and the nutritional value of the food that is prepared by our very own Chef Tiffani of Cutting Board Academy. We'll bring dinner, you bring your family! Great opportunity to meet workshop friends, visit with neighbors, learn new recipes and spend quality time with your family.

Family Game Night: Bring your friends and family to the PNC Fairfax Connection and play one of the many board games we have available: Chess, Uno, Yahtzee, Clue and others. Fun board games for all ages!

Financial Friday: Join us for Financial Friday, where you get the exclusive opportunity to receive personalized financial tips one-on-one with a banker. Whether you're looking to boost your savings, plan for the future or get budgeting advice, our experts are here to help you take control of your finances. Get ready to ask questions and learn, and leave feeling empowered with new money skills!

Financial Friday: Business Game Plan: Set up your personal meeting to get the opportunity to receive specialized business banking advice one-on-one with a business banker. Whether you're looking to start your business, manage your business finances better, or learn what services are available to augment your business financially, our experts are here to help you grow your enterprise! Get ready to become business banking savvy and leave feeling empowered with new business banking expertise!

Get Up & Groove: Family Line Dancing Night: Join us for a fun night of line dancing! Our instructor will teach you all the moves you need to get grooving and moving to the best hits. Bring the whole family down for a night of line dancing and movement at the Connection. No experience required. All ages welcome.

Great Lakes Science Center Family Workshop: Bring your little ones and explore scientific thinking! This is a program for families with elementary school-age children. Participants will use their senses to learn about our world through hands-on activities.

Homebuyers Workshop: Join PNC Bank for an exciting discussion that will provide insight into the homebuying experience. Learn about financing, the pre-approval process, unique lending products and special programs to help make homeownership more affordable.

How to Ace a Job Interview: From researching the company to sending a follow-up thank-you note, you'll learn all the basics needed for interviewing success. Participants will enhance their interview skills, learn about different types of interviews, and gain the confidence needed to land their next job!

How Yoga Can Support Arthritis: This two-part series will inform and encourage mindful movement as complementary care for arthritis. Gentle range of motion movements will be experienced systematically through the joints. This series, led by an 800-hour-certified yoga therapist, will be accessible for all.

Introduction to 3D Printing: Learn how 3D printers work and gain hands-on experience.

Kids in the Kitchen: Bring your aspiring young chefs and learn how to make great-tasting and nutritious recipes! Participants will follow recipes with guidance from our culinary instructor. Come ready to eat and learn new recipes to take home for the whole family to enjoy.

Lean Six Sigma: White Belt Class: Calling all business owners, students and professionals! In this class, you will learn to think like a problem-solver and act like a process improvement pro using powerful tools that will organize your personal and business life, and you can earn a certificate of completion!

Lean Six Sigma: Yellow Belt Tools: Ready to level up? This Yellow Belt Tools class picks up where the Lean Six Sigma White Belt left off. You'll build on your foundation with hands-on tools like process mapping and root cause analysis to enhance your personal or business operations with greater efficiency and clarity.

LEGO Air Sensor Workshop: Come learn about air quality science, see how pollution affects us, and have hands-on fun building a working air sensor! This is a program for people of all ages.

Motivated & Empowered: Financial Fun: Join youth empowerment organization Motivated & Empowered Inc. as they provide mentorship, resources, life skills and financial skills for the community's youth. Ages 8–16.

PNC Fairfax Flight School: Give your child the gift of flight! In partnership with Digital C, students will learn drone operation, safety and tech skills in a fun hands-on environment.

Reach Success: Are you looking for individual support to increase your career and/or educational opportunities? The Reach Success team is resourceful and helpful in addressing barriers and allowing your personal goals to be reached. Specialties include tutoring, alternatives to GED, navigating college enrollments, employment opportunities, small business coaching and mentoring.

Resume Workshop: In this workshop, learn how to create a polished, professional resume that highlights your unique skills and experience. We'll cover tips on formatting, powerful language and tailoring your resume for specific roles. Join us to make your resume stand out and catch the eye of hiring managers!

Smart Money Moves: PNC Bank is excited to present an updated series of financial wellness workshops dedicated to helping you more effectively manage your personal finances and achieve your financial goals.

Small Business Foundations: Designed for aspiring entrepreneurs and new business owners, this class covers the essential building blocks of success — from business planning and marketing to financial management and customer service. Learn practical skills, gain expert insights and connect with like-minded peers to set your business up for lasting success.

Speaker Series: Each month promises to bring new knowledge from the very best of today's thought leaders. This series has been carefully crafted to deliver a range of captivating and inspiring speakers — renowned entrepreneurs, community leaders and award-winning journalists. This month's featured speaker is Danita Harris, award-winning journalist, news anchor, motivational speaker and minister.

Tech Help Clinic: The PNC Fairfax Connection team is holding one-to-one appointments to assist members with troubleshooting devices, software setup, device optimization, cybersecurity best practices and connecting to community low-cost technology resources. An appointment is required.

Workplace Software: We will cover a range of topics including computer literacy, Microsoft Office, Google Suite, spreadsheets, word processing, presentations and other similar applications to develop skills needed for today's workforce.

Writers Workshop: Our instructor will give you strategies to craft new worlds and paint settings with words. Whether you're a novice novelist or a seasoned scribe, this workshop will expand your creative horizons and add depth to your literary landscapes.

First steps start here.
