Workshop & Special Event Descriptions

3D Printer Made Simple: Hobby to Hustle: Learn 3D printing basics for both fun hobby projects and smart business uses in this hands-on class, turning your ideas into real products!

AI Edition: This is a 4-week series where participants will explore the intersection of design and artificial intelligence. Our facilitator, Jamal "JayWorking" Collins, will guide you through practical exercises using AI tools and technology in graphic design.

Basic Yoga: Yoga is a unique way of strengthening and toning the body. Join us with our partner My Village Yoga for Saturday yoga sessions at the PNC Fairfax Connection! Whether you are new to yoga or have taken classes, this is the best place for you to start.

Bank on Your Future: Learn how to budget like a pro, set savings goals that stick and crack the code on credit. From banking basics to smart spending, this program gives you the tools to make informed financial choices and build a future you can bank on! Ages 13+

Black History 365: Imani: Explore the principle of Imani (Faith) in this engaging class on Black history. Learn how Imani has shaped historical movements, strengthened communities and continues to inspire collective progress today.

Book Club: One of the pleasures of reading a good book is discussing it with others who have read it. Join the club to rave about what you've just read or to debate participants' various reactions to the book. Connect with us as we discuss our shared experiences surrounding the book.

Cleveland Museum of Art Family Workshop: Celebrate creativity and community with Studio Go, the Cleveland Museum of Art's mobile art van, as it rolls down to the Connection for a fun family workshop!

Community Compass: Come join our program where community comes together to discuss local issues, inspire one another, exchange ideas and strengthen our ties through shared connections and greater understanding.

Connecting with the Community: Join us to hear about community events and prepare to share. All programs discussed must be open to the public, be non-political and not require any experience to attend. This session will commence directly after Dishin' It with Dan.

CyberSafe: Cyber Threats: Learn how to protect yourself online from common cyber threats and identity theft. This workshop will equip you with practical tips to recognize, prevent and respond to attacks, helping you stay safe in today's digital world.

Digital Music Production: Basic Skills: Whether you're a budding musician or have a passion to create and record for a living, this class provides you access to and understanding of the software and tools you'll need to arrange your own masterpiece. Students will learn how to obtain professional-sounding results from a simple studio setup. Basic computer knowledge is required. Ages 13 and up.

Digital Recording and Engineering: Advanced Skills: This is the next-level session for those who have already taken the Basic class. We will use the acquired skills to produce an entire song, including an audio recording. Ages 13 and up.

Discovering Design: Join us and our partner Jamal "JayWorking" Collins to explore the world of graphic design through Canva, AI tools and branding.

Dishin' It with Dan: Bring your ideas and hear about upcoming workshops and events during this time to chat with Dan Roberson, executive director of the PNC Fairfax Connection.

Entrepreneur's Guide: This workshop provides insightful business guidance to entrepreneurs with crucial survival strategies, enabling them to conquer the challenges of the business work and thrive in the "concrete jungle."

Explore Music Careers: Discover the many career opportunities in the music industry and learn how to forge your path to success.

The Fairfax Chess Club: The game of chess encourages players to think critically and improve concentration. Our instructors from Progress with Chess will teach you the fundamentals of the game and help you hone your skills. This program is designed to introduce youth to chess, but all ages are welcome.

Financial Friday: Join us for Financial Friday, where you get the exclusive opportunity to receive personalized financial tips one-on-one with a banker. Whether you're looking to boost your savings, plan, or get budgeting advice, our experts are here to help you take control of your finances. Get ready to ask questions and learn, and leave feeling empowered with new money skills!

Financial Friday: Business Game Plan: Set up your personal meeting to get the opportunity to receive specialized business banking advice one-on-one with a business banker. Whether you're looking to start your business, manage your business finances better, or learn what services are available to augment your business financially, our experts are here to help you grow your enterprise! Get ready to become business banking savvy and leave feeling empowered with new business banking expertise!

Get Up & Groove: Family Line Dancing Night: Join us for a fun night of line dancing! Our instructor will teach you all the moves you need to get grooving and moving to the best hits. Bring the whole family down for a night of line dancing and movement at the Connection. No experience required. All ages welcome.

Homebuyers Workshop: Join PNC Bank for an exciting discussion that will provide insight into the homebuying experience. Learn about financing, the pre-approval process, unique lending products and special programs to help make homeownership more affordable.

How to Ace a Job Interview: From researching the company to sending a follow-up thank-you note, this workshop covers all the basics needed for interviewing success. Participants will enhance their interview skills, learn about different types of interviews, and gain the confidence needed to land their next job!

How Yoga Can Support Arthritis: This two-part series will inform and encourage mindful movement as complementary care for arthritis. Gentle range of motion movements will be experienced systematically through the joints. This series, led by an 800-hour-certified yoga therapist, will be accessible for all.

Kids in the Kitchen: Bring your aspiring young chefs and learn how to make great-tasting and nutritious recipes! Participants will follow recipes with guidance from our culinary instructor. Come ready to eat and learn new recipes to take home for the whole family to enjoy.

Lean Six Sigma: White Belt Class: Calling all business owners, students and professionals! In this class you will learn to think like a problem solver and act like a process improvement pro using powerful tools that will organize your personal and business life and can earn a certificate of completion!

Lean Six Sigma: Yellow Belt Tools: Ready to level up? This Yellow Belt Tools class picks up where the Lean Six Sigma White Belt left off. You'll build on your foundation with hands-on tools like process mapping and root cause analysis to enhance your personal or business operations with greater efficiency and clarity.

LEGO Air Sensor Workshop: Come learn about air quality science, see how pollution affects us, and have hands-on fun building a working air sensor! This is a program for people of all ages.

PNC Fairfax Flight School: Give your child the gift of flight! In partnership with Digital C, students will learn drone operation, safety and tech skills in a fun hands-on environment.

Reach Success: Are you looking for individual support to increase your career and/or educational opportunities? The Reach Success team is resourceful and helpful in addressing barriers and allowing your personal goals to be reached. Specialties include tutoring, alternatives to GED, navigating college enrollments, employment opportunities, small business coaching and mentoring.

Resume Workshop: In this workshop, learn how to create a polished professional resume that highlights your unique skills and experience. We'll cover tips on formatting, powerful language and tailoring your resume for specific roles. Join us to make your resume stand out and catch the eye of hiring managers!

Sears Think[box]: Laser Cutting Creations: This workshop is for hobbyists and entrepreneurs alike! Learn how to use a laser cutter to precisely cut and etch various materials, such as wood, paper and plastic, to create a unique gift or product.

Smart Money Moves: PNC Bank is excited to present an updated series of financial wellness workshops dedicated to helping you more effectively manage your personal finances and achieve your financial goals.

Small Business Foundations: Designed for aspiring entrepreneurs and new business owners, this class covers the essential building blocks of success — from business planning and marketing to financial management and customer service. Learn practical skills, gain expert insights and connect with like-minded peers to set your business up for lasting success.

Speaker Series: Each month promises to bring new knowledge from the very best of today's thought leaders. The Speaker Series has been carefully crafted to deliver a range of captivating and inspiring speakers — renowned entrepreneurs, community leaders and award-winning journalists. This month's speaker is Meltrice Sharp, Manager Partner of CLE Consulting and Founding Partner of Women Creating Wealth Institute.

Super Saturday with Beck Center for the Arts: Join the fun, creativity and excitement with our friends from Beck Center for the Arts. Young aspiring artists will explore music, dance, visual arts, storytelling and more! This is an interactive art experience designed for youth ages 3-10.

Tech Time: Our Digital Lab will be open with a staff member available to answer questions on any device or software programs used at the PNC Fairfax Connection.

Workplace Software: We will cover a range of topics including computer literacy, Microsoft Office, Google Suite, spreadsheets, word processing, presentations and other similar applications to develop skills needed for today's workforce.

Writers Workshop: Our instructor will give you strategies to craft new worlds and paint settings with words. Whether you're a novice novelist or a seasoned scribe, this workshop will expand your creative horizons and add depth to your literary landscapes.

First steps start here.
