Workshop & Special Event Descriptions

Apparel Artistry Lab: This 4-week series, led by design professional, Jamal Jay Working Collins, will provide participants with foundational knowledge of how to design and promote your clothing brand using design software.

The Art of Crochet: Learn the fundamentals of crochet. Participants will learn basic crochet stitches and how to read a crochet pattern while creating their own crocheted pieces.

Bank On Your Future: Learn how to budget like a pro, set savings goals that stick, and crack the code on credit. From banking basics to smart spending, this program gives you the tools to make informed financial choices and build a future you can bank on! Ages 13-17.

Basic Yoga: Yoga is a unique way of strengthening and toning the body. Join us with our partner My Village Yoga for Saturday yoga sessions at the PNC Fairfax Connection! Whether you are new to yoga or have taken classes, this is the best place for you to start.

Black History 365: Celebrate, learn, and connect with Black History 365! This monthly program offers inspiring discussions, hands-on activities, and cultural experiences for all ages. Together, we'll explore the past, embrace the present, and build a brighter future!

Black History 365 for Kids: Black History is more than a month of engagement – it's relevant 365 days a year. This is a program for youth and their families in which we'll explore the contributions and achievement of Black leaders throughout American history through stories, games, and more!

Book Club: One of the pleasures of reading a good book is discussing it with others who have read it. Join the club to rave about what you've just read or to debate participants' various reactions to the book. Connect with us as we discuss our shared experiences surrounding the book.

Building Blocks: This is a weekly program for children that features story-time, arts & crafts, music or an appearance by a PNC Grow Up Great® partner. Ages 3-6.

Canva Design Lab: Youth Edition: In this 4-week hands-on workshop for ages 10-17, you'll dive into Canva to create posters, social media graphics and other cool projects. Learn simple design tricks, play with colors and fonts, and bring your creative ideas to life in a fun, relaxed space for young creators.

Community Compass: Come join our program where community comes together to discuss local issues, inspire one another, exchange ideas, and strengthen our ties through shared connections and greater understanding.

Computers 101: This 8-week program will provide you with an introduction to laptops and desktops, understanding mobile apps, and safe internet navigation. This workshop is designed to help seniors and adults learn basic computer skills.

Connecting with the Community: Join us to hear about community events and prepare to share. All programs discussed must be open to the public, be non-political and not require any experience to attend. This session will commence directly after Dishin' It with Dan.

CyberSafe: Cyber Threats: Learn how to protect yourself online from common cyber threats, and identity theft. This workshop will equip you with practical tips to recognize, prevent, and respond to attacks, helping you stay safe in today's digital world.

Digital Music Production: Basic Skills: Whether you're a budding musician or have a passion to create and record for a living, this class provides you access to and understanding of the software and tools you'll need to arrange your own masterpiece. Students will learn how to obtain professional-sounding results from a simple studio setup. Basic computer knowledge is required. Ages 13 and up.

Digital Recording and Engineering: Advanced Skills: This is the next-level session for those who have already taken the Basic class. We will use the acquired skills to produce an entire song, including an audio recording. Ages 13 and up.

Dishin' It with Dan: Bring your ideas and hear about upcoming workshops and events during this time to chat with Dan Roberson, executive director of the PNC Fairfax Connection.

Explore Music Careers: Discover the many career opportunities in the music industry and learn how to forge your path to success.

Family STEAM Night: Join us for Family STEAM Night! All ages are welcome as we explore Science, Technology, Engineering, Art, and Math through hands-on activities led by STEAM professionals. We'll complete a fun project that will ignite your curiosity and spark your creativity. No experience is required.

The Fairfax Chess Club: The game of chess encourages players to think critically and improve concentration. Our instructors from Progress with Chess will teach you the fundamentals of the game and help you hone your skills. This program is designed to introduce youth to chess, but all ages are welcome.

Film Industry Foundations: Casting & Beyond: Discover the foundations of the film and theater industry, from casting and acting, to the many behind-the-scenes roles that bring a production to life.

Financial Friday: Join us for Financial Friday, where you get the exclusive opportunity to receive personalized financial tips one-on-one with a banker. Whether you're looking to boost your savings, plan, or get budgeting advice, our experts are here to help you take control of your finances. Get ready to learn, ask questions, and leave feeling empowered with new money skills!

Financial Friday: Business Game Plan: Set up your personal meeting to get the opportunity to receive specialized business banking advice one-on-one with a business banker. Whether you're looking to start your business, manage your business finances better, or learn what services are available to augment your business financially, our experts are here to help you grow your enterprise! Get ready to become business banking savvy and leave feeling empowered with new business banking expertise!

Get Up & Groove: Family Line Dancing Night: Join us for a fun night of line dancing! Our instructor will teach you all the moves you need to get grooving and moving to the best hits. Bring the whole family down for a night of line dancing and movement at the Connection. No experienced required. All ages welcome.

Homebuyers Workshop: Join PNC Bank and partners, for an exciting discussion that will provide insight into the homebuying experience. Learn about financing, the pre-approval process, unique lending products and special programs to help make homeownership more affordable.

How to Ace a Job Interview: From researching the company to sending a follow-up thank-you note, this workshop covers all the basics needed for interviewing success. Participants will enhance their interview skills, learn about different types of interviews, and gain the confidence needed to land their next job!

How Yoga Can Support Arthritis: This two-part series will inform and encourage mindful movement as complementary care for arthritis. Gentle range of motion movements will be experienced systematically through the joints. This series, led by an 800-hour-certified yoga therapist, will be accessible for all.

Kids in the Kitchen: Bring your aspiring young chefs and learn how to make great-tasting and nutritious recipes! Participants will follow recipes with guidance from our culinary instructor. Come ready to eat and learn new recipes to take home for the whole family to enjoy.

Lean Six Sigma: White Belt Class: Calling all business owners, students, and professionals! In this class you will learn to think like a problem solver and act like a process improvement pro using powerful tools that will organize your personal and business life and can earn a certificate of completion!

Lean Six Sigma: Yellow Belt Tools: Ready to level up? This Yellow Belt Tools class picks up where the Lean Six Sigma White Belt left off. You'll build on your foundation with hands-on tools like process mapping and root cause analysis to enhance your personal or business operations with greater efficiency and clarity.

Reach Success: Are you looking for individual support to increase your career and/or educational opportunities? The Reach Success team is resourceful and helpful in addressing barriers and allowing your personal goals to be reached. Specialties include tutoring, alternatives to GED, navigating college enrollments, employment opportunities, small business coaching and mentoring.

Resume Workshop: In this workshop, learn how to create a polished, professional resume that highlights your unique skills and experience. We'll cover tips on formatting, powerful language, and tailoring your resume for specific roles. Join us to make your resume stand out and catch the eye of hiring managers!

Robotics on the Go: Discover the fascinating world of science and technology! Youth will participate in activities that include building robots, designing structures, exploring STEM careers and more. Come have fun while engaging with project-based learning. For youth in grades 5-10.

Smart Money Moves: PNC Bank is excited to present an updated series of financial wellness workshops dedicated to helping you more effectively manage your personal finances and achieve your financial goals.

Small Business Foundations: Designed for aspiring entrepreneurs and new business owners, this class covers the essential building blocks of success — from business planning and marketing to financial management and customer service. Learn practical skills, gain expert insights and connect with like-minded peers to set your business up for lasting success.

Tech Help Clinic: The PNC Fairfax Connection team is holding one-on-one appointments to assist members with troubleshooting devices, setting up software, device optimization, cybersecurity best practices, and connecting to community low-cost technology resources. An appointment is required.

Tech Time: Our Digital Lab will be open with a staff member available to answer questions on any device or software programs used at the PNC Fairfax Connection.

Writers Workshop: Our instructor will give you strategies to craft new worlds and paint settings with words. Whether you're a novice novelist or a seasoned scribe, this workshop will expand your creative horizons and add depth to your literary landscapes.

First steps start here.
