# Workshop & Special Event Descriptions

**The Art of Crochet:** Learn the fundamentals of crochet. Participants will learn basic crochet stitches and how to read a crochet pattern while creating their own crocheted pieces.

**Bank on Your Future:** Learn how to budget like a pro, set savings goals that stick, and crack the code on credit. From banking basics to smart spending, this program gives you the tools to make informed financial choices and build a future you can bank on! Ages 13 and up.

**Banking Basics Workshop:** In this workshop, participants will learn how they can work with financial institutions to help them manage their personal finances, grow their wealth, and safeguard their money.

**Basic Yoga:** Yoga is a unique way of strengthening and toning the body. Join us with our partner My Village Yoga for Saturday yoga sessions at the PNC Fairfax Connection! Whether you are new to yoga or have taken classes, this is the best place for you to start.

**Black History 365:** Celebrate, learn, and connect with Black History 365! This monthly program offers inspiring discussions, hands-on activities, and cultural experiences for all ages. Together, we'll explore the past, embrace the present, and build a brighter future!

**Black History 365 for Kids:** Black History is more than a month of engagement – it's relevant 365 days a year. This is a program for youth and their families in which we'll explore the contributions and achievement of Black leaders throughout American history through stories, games, and more!

**Book Club:** One of the pleasures of reading a good book is discussing it with others who have read it. Join the club to rave about what you've just read or to debate participants' various reactions to the book. Connect with us as we discuss our shared experiences surrounding the book.

**Budgeting Made Simple:** In this workshop, participants will understand the value of creating a budget and learn strategies to build a simple budget and pay off debt.

**Building Blocks:** This is a weekly program for children that features story-time, arts & crafts, music or an appearance by a PNC Grow Up Great® partner. Ages 3–6.

**Business IQ: Legends Playbook:** Join us for a powerful panel conversation on business, purpose, and legacy featuring dynamic local entrepreneurs and leaders. Hear real stories, lessons learned, and insights on building something that lasts. Walk away inspired to grow your vision, impact your community, and create your own legacy.

**Computers 101:** This 8-week program will provide you with an introduction to laptops and desktops, understanding mobile apps, and safe internet navigation. This workshop is designed to help seniors and adults learn basic computer skills.

**Connecting with the Community:** Join us to hear about community events and prepare to share. All programs discussed must be open to the public, be non-political and not require any experience to attend. This session will commence directly after Dishin' It with Dan.

**Content Creation for Beginners:** Learn the basics of content creation with YouTuber Tatiana Ali. This workshop covers camera setup, lighting, sound, and editing, plus tips for planning content and optimizing it for social media. Walk away with practical skills to create polished, engaging videos from start to finish.

**Cyber Awareness & Education:** The CTC SecureSteps Community Education series helps adults and seniors recognize common online threats and develop practical habits that support safer technology use.

**Digital Music Production: Basic Skills:** Whether you're a budding musician or have a passion to create and record for a living, this class provides you access to and understanding of the software and tools you'll need to arrange your own masterpiece. Students will learn how to obtain professional-sounding results from a simple studio setup. Basic computer knowledge is required. Ages 13 and up.

**Digital Recording and Engineering: Advanced Skills:** This is the next-level session for those who have already taken the Basic class. We will use the acquired skills to produce an entire song, including an audio recording. Ages 13 and up.

**Dishin' It with Dan:** Bring your ideas and hear about upcoming workshops and events during this time to chat with Dan Roberson, executive director of the PNC Fairfax Connection.

**Entrepreneurship: Stuck @ Start:** Building from the basics, this series of workshops will help aspiring business owners establish the proper mental foundation for business success. Do you have an idea you've been wanting to launch but feel "stuck" trying to figure out how to "start"? These workshops will give you the guidance to get started with the right mindset to set yourself up for success.

**Explore Music Careers:** Discover the many career opportunities in the music industry and learn how to forge your path to success.

**The Fairfax Chess Club:** The game of chess encourages players to think critically and improve concentration. Our instructors from Progress with Chess will teach you the fundamentals of the game and help you hone your skills. This program is designed to introduce youth to chess, but all ages are welcome.

**Family STEAM Night:** Join us for Family STEAM Night! All ages are welcome as we explore Science, Technology, Engineering, Art, and Math through hands-on activities led by STEAM professionals. We'll complete a fun project that will ignite your curiosity and spark your creativity. No experience is required.

**Financial Friday:** Join us for Financial Friday, where you get the exclusive opportunity to receive personalized financial tips one-on-one with a banker. Whether you're looking to boost your savings, plan, or get budgeting advice, our experts are here to help you take control of your finances. Get ready to learn, ask questions, and leave feeling empowered with new money skills!

**Get Up & Groove: Family Line Dancing:** Join us for a fun night of line dancing!

Our instructor, Amanda, will teach you all the moves you need to get grooving and moving to the best hits. Bring the whole family down for a night of line dancing and movement at the Connection. No experience required. All ages welcome.

**Great Lakes Science Center Family Workshop:** Bring your little ones and explore scientific thinking! This is a program for families with elementary-aged children. Participants will use their senses to learn about our world through hands-on activities.

**Homebuyer Workshop:** Join PNC Bank and partner for an exciting discussion that will provide insight into the homebuying experience. Learn about financing, the pre-approval process, unique lending products and special programs to help make homeownership more affordable.

**How to Ace a Job Interview:** From researching the company to sending a follow-up thank-you note, this workshop covers all the basics needed for interviewing success. Participants will enhance their interview skills, learn about different types of interviews, and gain the confidence needed to land their next job!

**How Yoga Can Support Arthritis:** This two-part series will inform and encourage mindful movement as complementary care for arthritis. Gentle range of motion movements will be experienced systematically through the joints. This series, led by an 800-hour-certified yoga therapist, will be accessible for all.

**Kids in the Kitchen:** Bring your aspiring young chefs and learn how to make great-tasting and nutritious recipes! Participants will follow recipes with guidance from a professional culinary expert. Come ready to eat and learn new recipes to take home for the whole family to enjoy!

**Lean Six Sigma: White Belt Class:** Calling all business owners, students, and professionals! In this class you will learn to think like a problem solver and act like a process improvement pro using powerful tools that will organize your personal and business life and can earn a certificate of completion!

**Lean Six Sigma: Yellow Belt Tools:** Ready to level up? This Yellow Belt Tools class picks up where the Lean Six Sigma White Belt left off. You'll build on your foundation with hands-on tools like process mapping and root cause analysis to enhance your personal or business operations with greater efficiency and clarity.

**Marketing That Works: Real Businesses, Real Results:** Many small business owners market their products or services but struggle to turn interest into paying customers. In this interactive workshop, Dr. Erika Pryor will help participants understand the sales process, identify their ideal customers, and learn practical strategies to generate leads and increase sales conversations.

**Pathway to Homeownership:** In this workshop, participants who may be thinking about buying a home will learn what financial preparation is required prior to purchasing a home, including how to budget for a mortgage, the mortgage application process, costs associated, and what options are available to them.

**Reach Success:** Are you looking for individual support to increase your career and/or educational opportunities? The Reach Success team is resourceful and helpful in addressing barriers and allowing your personal goals to be reached. Specialties include tutoring, alternatives to GED, navigating college enrollments, employment opportunities, coaching and mentoring.

**Resume Workshop:** In this workshop, learn how to create a polished, professional resume that highlights your unique skills and experience. We'll cover tips on formatting, powerful language, and tailoring your resume for specific roles. Join us to make your resume stand out and catch the eye of hiring managers!

**Robotics On the Go:** Discover the fascinating world of science and technology! Youth will participate in activities that include building robots, designing structures, exploring STEM careers and more. Come have fun while engaging with project-based learning. For youth in grades 5–10.

**Side Hustle Studio:** This series will provide students with knowledge of how to develop and enhance a design portfolio. Learn strategies to attract clients and promote yourself for freelancing opportunities.

**Small Business Development & Real Estate Acquisition:** This cohort series will consist of an eight-week training program for those interested in the initial startup or expansion of small businesses on or near Superior Avenue, providing education and resources related to purchasing and/or renovating commercial real estate.

**Small Business Foundations:** Designed for aspiring entrepreneurs and new business owners, this class covers the essential building blocks of success — from business planning and marketing to financial management and customer service. Learn practical skills, gain expert insights, and connect with like-minded peers to set your business up for lasting success.

**Speakers Series:** Each month promises to bring new knowledge from the very best of today's thought leaders. The Speakers Series has been carefully crafted to deliver a range of captivating and inspiring speakers — renowned entrepreneurs, community leaders and award-winning journalists. This month's featured speaker is Marcella Brown, Executive Director of the Rainey Institute.

**Tai Chi:** This class highlights "moving meditation" with slow, gentle, and controlled movement, designed to decrease stress, advance mental well-being, and improve physical health.
