Unlock exponential growth by mastering the practical AI tools and frameworks designed to slash operational costs and supercharge productivity. This workshop delivers actionable strategies to integrate automation into your workflows and directly boosting your bottom line!

The Art of Crochet: Learn the fundamentals of crochet. Participants will learn basic crochet stitches and how to read a crochet pattern while creating their own crochet pieces.

Bank On Your Future: Learn how to budget like a pro, set savings goals that stick, and crack the code on credit. From banking basics to smart spending, this program gives you the tools to make informed financial choices and build a future you can bank on! Ages 13 and up.

Banking Basics Workshop: In this workshop, participants will learn how they can work with financial institutions to help them manage their personal finances, grow their wealth, and safeguard their money.

Basic Yoga: Yoga is a unique way of strengthening and toning the body. Join us with our partner My Village Yoga for Saturday yoga sessions at the PNC Fairfax Connection! Whether you are new to yoga or have taken classes, this is the best place for you to start.

Black History 365: Celebrate, learn, and connect with Black History 365! This monthly program offers inspiring discussions, hands-on activities, and cultural experiences for all ages. Together, we'll explore the past, embrace the present, and build a brighter future!

Budgeting Made Simple: In this workshop, participants will understand the value of creating a budget and learn strategies to build a simple budget and pay off debt.

Building Blocks: This is a weekly program for children that features story-time, arts & crafts, music or an appearance by a PNC Grow Up Great® partner. Ages 3-6.

Canva Creations: In this hands-on workshop, you'll dive into Canva to create posters, social media graphics and other cool projects. Learn simple design tricks, play with colors and fonts, and bring your creative ideas to life in a fun, relaxed space for creators.

Connecting with the Community: Join us to hear about community events and prepare to share. All programs discussed must be open to the public, be non-political and not require any experience to attend. This session will commence directly after Dishin' It with Dan.

Content Creation for Beginners: Learn the basics of content creation with YouTuber Tatiana Ali. This workshop covers camera setup, lighting, sound, and editing, plus tips for planning content and optimizing it for social media. Walk away with practical skills to create polished, engaging videos from start to finish.

Cricut for Entrepreneurs: The Cricut for Entrepreneurs program introduces participants to using Cricut machines to create custom products for small business ventures. Facilitated by Michelle Berry of Create Grace, the program also builds soft skills like communication, creativity, and teamwork, empowering participants to collaborate and bring their ideas to life.

Digital Music Production: Basic Skills: Whether you're a budding musician or have a passion to create and record for a living, this class provides you access to and understanding of the software and tools you'll need to arrange your own masterpiece. Students will learn how to obtain professional-sounding results from a simple studio setup. Basic computer knowledge is required. Ages 13 and up.

Digital Recording & Engineering: Advanced Skills: This is the next-level session for those who have already taken the Basic class. We will use the acquired skills to produce an entire song, including an audio recording. Ages 13 and up.

Dishin' It with Dan: Bring your ideas and hear about upcoming workshops and events during this time to chat with Dan Roberson, executive director of the PNC Fairfax Connection.

Explore Music Careers: Discover the many career opportunities in the music industry and learn how to forge your path to success.

Fairfax Books 'n Vibes: One of the pleasures of reading a good book is discussing it with others who have read it. Join the club to rave about what you've just read or to debate participants' various reactions to the book. Connect with us as we discuss our shared experiences surrounding the book.

Fairfax Chess Club: The game of chess encourages players to think critically and improve concentration. Our instructors from Progress with Chess will teach you the fundamentals of the game and help you hone your skills. This program is designed to introduce youth to chess, but all ages are welcome.

Family STEAM Night: Join us for Family STEAM Night! All ages are welcome as we explore Science, Technology, Engineering, Art, and Math through hands-on activities led by STEAM professionals. We'll complete a fun project that will ignite your curiosity and spark your creativity. No experience is required.

Film Industry Foundations: Casting & Beyond: Discover the foundations of the film and theater industry, from casting and acting, to the many behind-the-scenes roles that bring a production to life.

Financial Friday: Join us for Financial Friday, where you get the exclusive opportunity to receive personalized financial tips one-on-one with a banker. Whether you're looking to boost your savings, plan, or get budgeting advice, our experts are here to help you take control of your finances. Get ready to learn, ask questions, and leave feeling empowered with new money skills!

Get Up & Groove: Family Line Dancing: Join us for a fun night of line dancing! Our instructor, Amanda, "A-Boogie", will teach you all the moves you need to get grooving and moving to the best hits. Bring the whole family down for a night of line dancing and movement at the Connection. No experience required. All ages welcome.

Homebuyer Workshop: Join PNC Bank and partner for an exciting discussion that will provide insight into the homebuying experience. Learn about financing, the pre-approval process, unique lending products and special programs to help make homeownership more affordable.

How to Ace a Job Interview: From researching the company to sending a follow-up thank-you note, this workshop covers all the basics needed for interviewing success. Participants will enhance their interview skills, learn about different types of interviews, and gain the confidence needed to land their next job!

How Yoga Can Support Arthritis: This two-part series will inform and encourage mindful movement as complementary care for arthritis. Gentle range of motion movements will be experienced systematically through the joints. This series, led by an 800-hour-certified yoga therapist, will be accessible for all.

Kids in the Kitchen: Bring your aspiring young chefs and learn how to make great-tasting and nutritious recipes! Participants will follow recipes with guidance from a professional culinary expert. Come ready to eat and learn new recipes to take home for the whole family to enjoy!

Kreative Kickstart: This 4-session series provides hands-on training with essential design tools and software. Explore the fundamentals of graphic design through design principles, color theory and basic composition techniques.

Lean Six Sigma: White Belt Class: Calling all business owners, students, and professionals! In this class you will learn to think like a problem solver and act like a process improvement pro using powerful tools that will organize your personal and business life and can earn a certificate of completion!

Lean Six Sigma: Yellow Belt Tools: Ready to level up? This Yellow Belt Tools class picks up where the Lean Six Sigma White Belt left off. You'll build on your foundation with hands-on tools like process mapping and root cause analysis to enhance your personal or business operations with greater efficiency and clarity.

Pathway to Homeownership: In this workshop, participants who may be thinking about buying a home will learn what financial preparation is required prior to purchasing a home, including how to budget for a mortgage, the mortgage application process, costs associated, and what options are available to them.

Reach Success: Are you looking for individual support to increase your career and/or educational opportunities? The Reach Success team is resourceful and helpful in addressing barriers and allowing your personal goals to be reached. Specialties include tutoring, alternatives to GED, navigating college enrollments, employment opportunities, coaching, and mentoring.

Resume Workshop: In this workshop, learn how to create a polished, professional resume that highlights your unique skills and experience. We'll cover tips on formatting, powerful language, and tailoring your resume for specific roles. Join us to make your resume stand out and catch the eye of hiring managers!

Small Business Foundations: Designed for aspiring entrepreneurs and new business owners, this class covers the essential building blocks of success — from business planning and marketing to financial management and customer service. Learn practical skills, gain expert insights and connect with like-minded peers to set your business up for lasting success.

Speaker Series: Each month promises to bring new knowledge from the very best of today's thought leaders. The Speaker Series has been carefully crafted to deliver a range of captivating and inspiring speakers — renowned entrepreneurs, community leaders and award-winning journalists.

Tai Chi: This class highlights "moving meditation" with slow, gentle, and controlled movement, designed to decrease stress, advance mental well-being, and improve physical health.

We Got Chemistry: Get ready to mix, fizz, and discover! Youth will dive into fun, hands-on chemistry experiments guided by a chemistry teacher while exploring how science comes to life in exciting and unexpected ways.

Young Artists of Fairfax: Summer Ceramics: The Young Artists of Fairfax Summer Ceramics program offers hands-on clay projects where students learn basic techniques like hand-building and glazing. Facilitated by Dawn Jones of In the Paint Mobile Art Studio, the program encourages creativity in a fun, supportive setting.
