Workshop & Special Event Descriptions

The Art of Crochet: Learn the fundamentals of crochet. Participants will learn basic crochet stitches and how to read a crochet pattern while creating their own crochet pieces.

Basic Yoga: Yoga is a unique way of strengthening and toning the body. Join us with our partner My Village Yoga for Saturday yoga sessions at the PNC Fairfax Connection! Whether you are new to yoga or have taken classes, this is the best place for you to start.

Bank on Your Future: Learn how to budget like a pro, set savings goals that stick, and crack the code on credit. From banking basics to smart spending, this program gives you the tools to make informed financial choices and build a future you can bank on! Ages 13 and up.

Black History 365: Celebrate, learn, and connect with Black History 365! This monthly program offers inspiring discussions, hands-on activities, and cultural experiences for all ages. Together, we'll explore the past, embrace the present, and build a brighter future!

Black History 365 for Kids: Black History is more than a month of engagement – it's relevant 365 days a year. This is a program for youth and their families in which we'll explore the contributions and achievement of Black leaders throughout American history through stories, games, and more!

Books 'n Vibes: One of the pleasures of reading a good book is discussing it with others who have read it. Join the club to rave about what you've just read or to debate participants' various reactions to the book. Connect with us as we discuss our shared experiences surrounding the book.

BrandForge Experience: This 4-week series will provide participants with the tools and knowledge needed to create your own personal brand identity. Learn how to develop social media campaigns and promote your brand through graphic design.

Building Blocks: This is a weekly program for children that features story-time, arts & crafts, music or an appearance by a PNC Grow Up Great® partner. Ages 3–6.

Buying a Car: Participants will learn about the costs of car ownership, learn to determine how much they can budget toward a car payment and discuss different payment options to decide which is right for them.

Canva Creations: In this hands-on workshop, you'll dive into Canva to create posters, social media graphics and other cool projects. Learn simple design tricks, play with colors and fonts, and bring your creative ideas to life in a fun, relaxed space for creators.

Community Compass: Come join our program where community comes together to discuss local issues, inspire one another, exchange ideas, and strengthen our ties through shared connections and greater understanding.

Connecting with the Community: Join us to hear about community events and prepare to share. All programs discussed must be open to the public, be non-political and not require any experience to attend. This session will commence directly after Dishin' It with Dan.

Content Creation for Beginners: Learn the basics of content creation with YouTuber Tatiana Ali. This workshop covers camera setup, lighting, sound, and editing, plus tips for planning content and optimizing it for social media. Walk away with practical skills to create polished, engaging videos from start to finish.

Cooking Live: Embrace the farm-to-table lifestyle and discover nutritious recipes curated by Chef Tiffani Sutton-Taylor, Founder of Cutting Board Academy. Chef Tiffani will walk you through the dish step-by-step while teaching you about the science of food and nutrition.

Credit Scores & Reports: In this workshop, participants will learn what a credit score is, its importance, and how to read a credit report.

Cricut for Entrepreneurs: The Cricut for Entrepreneurs program introduces participants to using Cricut machines to create custom products for small business ventures. Facilitated by Michelle Berry of Create Grace, the program also builds soft skills like communication, creativity, and teamwork, empowering participants to collaborate and bring their ideas to life.

Cyber Awareness & Education: The CT SecureSteps Community Education series helps adults and seniors recognize common online threats and develop practical habits that support safer technology use.

DigitalC: Escape Room: Join us for a digital escape room! Put your problem-solving skills to the test. Players will navigate and work together through a series of clever puzzles and engaging challenges designed for all skill levels for a chance to escape. Have fun, learn some cool new things, and maybe even make some new friends.

Digital Music Production: Basic Skills: Whether you're a budding musician or have a passion to create and record for a living, this class provides you access to and understanding of the software and tools you'll need to arrange your own masterpiece. Students will learn how to obtain professional-sounding results from a simple studio setup. Basic computer knowledge is required. Ages 13 and up.

Digital Recording and Engineering: Advanced Skills: This is the next-level session for those who have already taken the Basic class. We will use the acquired skills to produce an entire song, including an audio recording. Ages 13 and up.

Dishin' It with Dan: Bring your ideas and hear about upcoming workshops and events during this time to chat with Dan Roberson, executive director of the PNC Fairfax Connection.

Explore Music Careers: Discover the many career opportunities in the music industry and learn how to forge your path to success.

Fairfax Chess Club: The game of chess encourages players to think critically and improve concentration. Our instructors from Progress with Chess will teach you the fundamentals of the game and help you hone your skills. This program is designed to introduce youth to chess, but all ages are welcome.

Film Industry Foundations: Casting & Beyond: Discover the foundations of the film and theater industry, from casting and acting, to the many behind-the-scenes roles that bring a production to life.

Get Up & Groove: Family Line Dancing: Join us for a fun night of line dancing! Our instructor will teach you all the moves you need to get grooving and moving to the best hits. Bring the whole family down for a night of line dancing and movement at the Connection. No experience required. All ages welcome.

Homebuyers Workshop: Join PNC Bank for an exciting discussion that will provide insight into the homebuying experience. Learn about financing, the pre-approval process, unique lending products and special programs to help make homeownership more affordable.

How Yoga Can Support Arthritis: This two-part series will inform and encourage mindful movement as complementary care for arthritis. Gentle range of motion movements will be experienced systematically through the joints. This series, led by an 800-hour-certified yoga therapist, will be accessible for all.

Kids in the Kitchen: Bring your aspiring young chefs and learn how to make great-tasting and nutritious recipes! Participants will follow recipes with guidance from our culinary instructor. Come ready to eat and learn new recipes to take home for the whole family to enjoy.

Lean Six Sigma: White Belt Class: Calling all business owners, students, and professionals! In this class you will learn to think like a problem solver and act like a process improvement pro using powerful tools that will organize your personal and business life and can earn a certificate of completion!

Lean Six Sigma: Yellow Belt Tools: Ready to level up? This Yellow Belt Tools class picks up where the Lean Six Sigma White Belt left off. You'll build on your foundation with hands-on tools like process mapping and root cause analysis to enhance your personal or business operations with greater efficiency and clarity.

Reach Success: Are you looking for individual support to increase your career and/or educational opportunities? The Reach Success team is resourceful and helpful in addressing barriers and allowing your personal goals to be reached. Specialties include tutoring, alternatives to GED, navigating college enrollments, employment opportunities, small business coaching and mentoring.

Small Business Foundations: Designed for aspiring entrepreneurs and new business owners, this class covers the essential building blocks of success — from business planning and marketing to financial management and customer service. Learn practical skills, gain expert insights and connect with like-minded peers to set your business up for lasting success.

Speaker Series: Each month promises to bring new knowledge from the very best of today's thought leaders. The Speaker Series has been carefully crafted to deliver a range of captivating and inspiring speakers — renowned entrepreneurs, community leaders and award-winning journalists.

Young Artists of Fairfax: Summer Ceramics: The Young Artists of Fairfax Summer Ceramics program offers hands-on clay projects where students learn basic techniques like hand-building and glazing. Facilitated by Dawn Jones of In the Paint Mobile Art Studio, the program encourages creativity in a fun, supportive setting.
