Workshop & Special Event Descriptions

AI Edition: This is a 4-week series where participants will explore the intersection of design and artificial intelligence. Our facilitator, Jamal “JayWorking” Collins, will guide you through practical exercises using AI tools and technology in graphic design.

The Art of Crochet: Learn the fundamentals of crochet. Participants will learn basic crochet stitches and how to read a crochet pattern while creating their own crochet pieces.

Basic Yoga: Yoga is a unique way of strengthening and toning the body. Join us with our partner My Village Yoga for Saturday yoga sessions at the PNC Fairfax Connection! Whether you are new to yoga or have taken classes, this is the best place for you to start.

Bank on Your Future: Learn how to budget like a pro, set savings goals that stick, and crack the code on credit. From banking basics to smart spending, this program gives you the tools to make informed financial choices and build a future you can bank on! Ages 13 and up.

Black History 365: Celebrate, learn, and connect with Black History 365! This monthly program offers inspiring discussions, hands-on activities, and cultural experiences for all ages. Together, we'll explore the past, embrace the present, and build a brighter future!

Books 'n Vibes: One of the pleasures of reading a good book is discussing it with others who have read it. Join the club to rave about what you've just read or to debate participants' various reactions to the book. Connect with us as we discuss our shared experiences surrounding the book.

Building Blocks: This is a weekly program for children that features story-time, arts & crafts, music or an appearance by a PNC Grow Up Great® partner. Ages 3–6.

Canva Creations: In this hands-on workshop, you'll dive into Canva to create posters, social media graphics and other cool projects. Learn simple design tricks, play with colors and fonts, and bring your creative ideas to life in a fun, relaxed space for creators.

Computers 101: This 8-week program will provide you with an introduction to laptops and desktops, understanding mobile apps, and safe internet navigation. This workshop is designed to help seniors and adults learn basic computer skills.

Connecting with the Community: Join us to hear about community events and prepare to share. All programs discussed must be open to the public, be non-political and not require any experience to attend. This session will commence directly after Dishin' It with Dan.

Content Creation for Beginners: Learn the basics of content creation with YouTuber Tatiana Ali. This workshop covers camera setup, lighting, sound, and editing, plus tips for planning content and optimizing it for social media. Walk away with practical skills to create polished, engaging videos from start to finish.

Cricut for Entrepreneurs: The Cricut for Entrepreneurs program introduces participants to using Cricut machines to create custom products for small business ventures. Facilitated by Michelle Berry of Create Grace, the program also builds soft skills like communication, creativity, and teamwork, empowering participants to collaborate and bring their ideas to life.

Cyber Awareness & Education: The CT SecureSteps Community Education series helps adults and seniors recognize common online threats and develop practical habits that support safer technology use.

Digital Music Production: Basic Skills: Whether you're a budding musician or have a passion to create and record for a living, this class provides you access to and understanding of the software and tools you'll need to arrange your own masterpiece. Students will learn how to obtain professional-sounding results from a simple studio setup. Basic computer knowledge is required. Ages 13 and up.

Digital Recording & Engineering: Advanced Skills: This is the next-level session for those who have already taken the Basic class. We will use the acquired skills to produce an entire song, including an audio recording. Ages 13 and up.

Dishin' It with Dan: Bring your ideas and hear about upcoming workshops and events during this time to chat with Dan Roberson, executive director of the PNC Fairfax Connection.

Explore Music Careers: Discover the many career opportunities in the music industry and learn how to forge your path to success.

The Fairfax Chess Club: The game of chess encourages players to think critically and improve concentration. Our instructors from Progress with Chess will teach you the fundamentals of the game and help you hone your skills. This program is designed to introduce youth to chess, but all ages are welcome.

Family STEAM Night: Join us for Family STEAM Night! All ages are welcome as we explore Science, Technology, Engineering, Art, and Math through hands-on activities led by STEAM professionals. We'll complete a fun project that will ignite your curiosity and spark your creativity. No experience is required.

Financial Friday: Join us for Financial Friday, where you get the exclusive opportunity to receive personalized financial tips one-on-one with a banker. Whether you're looking to boost your savings, plan, or get budgeting advice, our experts are here to help you take control of your finances. Get ready to learn, ask questions, and leave feeling empowered with new money skills!

Get Up & Groove: Family Line Dancing: Join us for a fun night of line dancing! Our instructor will teach you all the moves you need to get grooving and moving to the best hits. Bring the whole family down for a night of line dancing and movement at the Connection. No experience required. All ages welcome.

Homebuyer Workshop: Join PNC Bank and partner for an exciting discussion that will provide insight into the homebuying experience. Learn about financing, the pre-approval process, unique lending products and special programs to help make homeownership more affordable.

How Yoga Can Support Arthritis: This two-part series will inform and encourage mindful movement as complementary care for arthritis. Gentle range of motion movements will be experienced systematically through the joints. This series, led by an 800-hour-certified yoga therapist, will be accessible for all.

Intro to Scriptwriting: Turn your ideas into stories that come alive on the page! In this 4-week workshop facilitated by Jillian Holt, writers will explore character development, dialogue, scene building, and script formatting while developing their own original script.

Kids in the Kitchen: Bring your aspiring young chefs and learn how to make great-tasting and nutritious recipes! Participants will follow recipes with guidance from our culinary instructor. Come ready to eat and learn new recipes to take home for the whole family to enjoy.

Lean Six Sigma: White Belt Class: Calling all business owners, students, and professionals! In this class you will learn to think like a problem solver and act like a process improvement pro using powerful tools that will organize your personal and business life and can earn a certificate of completion!

Lean Six Sigma: Yellow Belt Tools: Ready to level up? This Yellow Belt Tools class picks up where the Lean Six Sigma White Belt left off. You'll build on your foundation with hands-on tools like process mapping and root cause analysis to enhance your personal or business operations with greater efficiency and clarity.

Meet the Funders: Capital Access Pathways Pt. 2: Join Part 2 of our workshop series to connect with expert funders, explore funding opportunities, and learn how to strengthen your projects. Ask questions, gain insights, and take the next step toward your goals.

Reach Success: Are you looking for individual support to increase your career and/or educational opportunities? The Reach Success team is resourceful and helpful in addressing barriers and allowing your personal goals to be reached. Specialties include tutoring, alternatives to GED, navigating college enrollments, employment opportunities, small business coaching and mentoring.

Reach Success: Ready to Rent: Ready to Rent is a six-week housing education program that helps participants build the skills needed to secure and maintain stable housing, including budgeting, credit improvement, and understanding the rental process. Graduates earn a Ready to Rent Certificate, which can be shared with landlords as proof of their housing readiness and commitment to successful tenancy.

Small Business Foundations: Designed for aspiring entrepreneurs and new business owners, this class covers business planning, marketing, financial management, and customer service. Gain practical skills, expert insights, and valuable connections to help your business succeed.

Smart Money Moves: PNC Bank is excited to present an updated series of financial wellness workshops dedicated to helping you more effectively manage your personal finances and achieve your financial goals.

Speaker Series: Each month promises to bring new knowledge from the very best of today's thought leaders. The Speaker Series has been carefully crafted to deliver a range of captivating and inspiring speakers — renowned entrepreneurs, community leaders and award-winning journalists. This month's speaker is Kevin Clayton.

First steps start here.
