PNC FAIRFAX CONNECTION

Workshop & Special Event Descriptions

The Art of Crochet: Learn the fundamentals of crochet. Participants will learn basic crochet stitches and how to read a crochet pattern while creating their own crochet pieces.

Basic Yoga: Yoga is a unique way of strengthening and toning the body. Join us with our partner My Village Yoga for Saturday yoga sessions at the PNC Fairfax Connection! Whether you are new to yoga or have taken classes, this is the best place for you to start.

Bank on Your Future: Learn how to budget like a pro, set savings goals that stick, and crack the code on credit. From banking basics to smart spending, this program gives you the tools to make informed financial choices and build a future you can bank on! Ages 13 and up.

Books 'n Vibes: One of the pleasures of reading a good book is discussing it with others who have read it. Join the club to rave about what you've just read or to debate participants' various reactions to the book. Connect with us as we discuss our shared experiences surrounding the book.

Building Blocks: This is a weekly program for children that features story-time, arts & crafts, music or an appearance by a PNC Grow Up Great® partner. Ages 3–6.

Business Finance: Join Cleveland Business Mentors for a two-part Financial Basics workshop series – a free, straightforward walk through the numbers that actually run your business: bookkeeping vs. accounting, cash flow vs. profit, and the three financial statements. In this hands-on session, you'll make the calls on real (simplified) financial statements. No finance degree required. Bring your questions, and we'll take it from there.

Canva Creations: In this hands-on workshop, you'll dive into Canva to create posters, social media graphics and other cool projects. Learn simple design tricks, play with colors and fonts, and bring your creative ideas to life in a fun, relaxed space for creators.

Computers 101: This 8-week program will provide you with an introduction to laptops and desktops, understanding mobile apps, and safe internet navigation. This workshop is designed to help seniors and adults learn basic computer skills.

Connecting with the Community: Join us to hear about community events and prepare to share. All programs discussed must be open to the public, be non-political and not require any experience to attend. This session will commence directly after Dishin' It with Dan.

Content Creation for Beginners: Learn the basics of content creation with YouTuber Tatiana Ali. This workshop covers camera setup, lighting, sound, and editing, plus tips for planning content and optimizing it for social media. Walk away with practical skills to create polished, engaging videos from start to finish.

Cricut Maker Lab: Put your Cricut skills into practice! Participants can sign up to receive one-on-one assistance with Cricut projects, Design Space, and machine techniques. Minimal supplies will be available for use, so participants are encouraged to bring materials needed for projects. Previous experience operating a Cricut machine is required.

Cyber Awareness & Education: The CT SecureSteps Community Education series helps adults and seniors recognize common online threats and develop practical habits that support safer technology use.

Digital Music Production: Basic Skills: Whether you're a budding musician or have a passion to create and record for a living, this class provides you access to and understanding of the software and tools you'll need to arrange your own masterpiece. Students will learn how to obtain professional-sounding results from a simple studio setup. Basic computer knowledge is required. Ages 13 and up.

Digital Recording & Engineering: Advanced Skills: This is the next-level session for those who have already taken the Basic class. We will use the acquired skills to produce an entire song, including an audio recording. Ages 13 and up.

Dishin' It with Dan: Bring your ideas and hear about upcoming workshops and events during this time to chat with Dan Roberson, executive director of the PNC Fairfax Connection.

Empower Her from the Inside Out: Unleash your potential with Empower HER, our dynamic networking, community engagement and empowerment series designed to inspire and uplift ALL women. This dynamic live session program offers networking and community engagement, providing participants with opportunities to meet potential employers, access valuable resources from community organizations, and build meaningful relationships with other women.

Explore Music Careers: Discover the many career opportunities in the music industry and learn how to forge your path to success.

Financial Friday: Join us for Financial Friday, where you get the exclusive opportunity to receive personalized financial tips one-on-one with a banker. Whether you're looking to boost your savings, plan, or get budgeting advice, our experts are here to help you take control of your finances. Get ready to learn, ask questions, and leave feeling empowered with new money skills!

Get Up & Groove: Family Line Dancing: Join us for a fun night of line dancing! Our instructor will teach you all the moves you need to get grooving and moving to the best hits. Bring the whole family down for a night of line dancing and movement at the Connection. No experience required. All ages welcome.

Homebuyers Workshop: Join PNC Bank for an exciting discussion that will provide insight into the homebuying experience. Learn about financing, the pre-approval process, unique lending products and special programs to help make homeownership more affordable.

How Yoga Can Support Arthritis: This two-part series will inform and encourage mindful movement as complementary care for arthritis. Gentle range of motion movements will be experienced systematically through the joints. This series, led by an 800-hour–certified yoga therapist, will be accessible for all.

Kids in the Kitchen: Bring your aspiring young chefs and learn how to make great-tasting and nutritious recipes! Participants will follow recipes with guidance from our culinary instructor. Come ready to eat and learn new recipes to take home for the whole family to enjoy.

Lean Six Sigma: Calling all business owners, students, and professionals! In this class you will learn to think like a problem solver and act like a process improvement pro using powerful tools that will organize your personal and business life and earn a certificate of completion!

Lights, Camera, Ohio!: Grab your lunch and join the Greater Cleveland Film Commission for a fascinating look at how Ohio helped shape the movie industry. Learn stories, fun trivia, and the lasting impact of Ohio's film pioneers and how the state continues to influence film and TV today.

Reach Success: Are you looking for individual support to increase your career and/or educational opportunities? The Reach Success team is resourceful and helpful in addressing barriers and allowing your personal goals to be reached. Specialties include tutoring, alternatives to GED, navigating college enrollments, employment opportunities, small business coaching and mentoring.

Reach Success: Ready to Rent: Ready to Rent is a six-week housing education program that helps participants build the skills needed to secure and maintain stable housing, including budgeting, credit improvement, and understanding the rental process. Graduates earn a Ready to Rent Certificate, which can be shared with landlords as proof of their housing readiness and commitment to successful tenancy.

Robotics on the Go: Discover the fascinating world of science and technology! Youth will participate in activities that include building robots, designing structures, exploring STEM careers and more. Come have fun while engaging with project-based learning. For youth in grades 5–10.

Side Hustle Studio: This series will provide students with knowledge of how to develop and enhance a design portfolio. Learn strategies to attract clients and promote yourself for freelancing opportunities.

Small Business Foundations: Designed for aspiring entrepreneurs and new business owners, this class covers the essential building blocks of success — from business planning and marketing to financial management and customer service. Learn practical skills, gain expert insights, and connect with like-minded peers to set your business up for lasting success.

Smart Money Moves: PNC Bank is excited to present an updated series of financial wellness workshops dedicated to helping you more effectively manage your personal finances and achieve your financial goals.

Tai Chi: This class highlights "moving meditation" with slow, gentle, and controlled movement, designed to decrease stress, advance mental well-being, and improve physical health.

First steps start here.
